LONG SOKUNTHEARY

Frontend Developer Intern

About me

Passionate Computer Science student with strong interest in Frontend Web Development and modern website technologies. Skilled in HTML, CSS, JavaScript, React.js, and responsive web design. Fast learner with good problem-solving skills and eager to gain real-world experience through a web development internship.

Experience

Portfolio Website

- Built a responsive portfolio using React.js and Tailwind CSS.
- Showcased projects, skills, and contact information.

Lemon Drink Shop

- Developed an e-commerce website using React.js.
- Implemented shopping cart, category filtering, and responsive layouts.

Skincare Shop Website

- Built reusable UI components and responsive pages using React.js and Tailwind CSS.
- Implemented responsive pages for desktop, tablet, and mobile devices
- Managed project source code using Git and GitHub.
